Dear Beef Feeder Exhibitors,

The Hardin County Fair Beef Committee has made the decision to cancel the beef feeder weigh in originally slated for May 30th. While a drive-through tagging was considered, it was determined social distancing guidelines could not be followed. The event was cancelled to protect volunteers, exhibitors, and the staff of the fair veterinarian's office. To supplement, exhibitors will need to have their beef animals dehorned, surgically castrated, tagged with an electronic identification (EID) tag by a veterinarian and vaccinated with a vaccine covering BVD, IBR, BRSV and P13 by June 1st. A receipt with a veterinarian signature will serve as proof and must be submitted either by online form found at hardincountyfair.org/coronavirus or to the Secretary's Office by June 5th at 4pm.

If you have questions, please reach out to our office at 419-675-2396 or at secretary@hardincountyfair.org.

Sincerely,

Dale Cockerell
Chairman
Beef Committee
